

Central Pa Youth Ministries

January 2019

What would you do with a couple of bus loads of teenagers for a weekend in the middle of winter? How about go-cart races, an arcade, laser tag, roller skating, ice skating, bowling, an indoor swimming pool and a little Gospel.

Actually there was a lot of Gospel. The whole reason we go to x-treme to entertain is so we can preach the Gospel to un churchd teens. And boy did we have them, that is a room filled with kids who never go to church. And God was with us. One gal counselors told me on Sunday morning that she had 5 gals in her small group and 3 had prayed on Saturday night to make Jesus their Lord and Savior. All 3 do not attend a church.

One of our staff said as he was leaving the hotel on Sunday, “now the work begins, I have to teach these kids what it means to follow Christ now that they believe in Him.” Please pray for us as we help these babies in Christ begin to walk with Jesus.

Also we ask you to pray about our next big outreach, IMPACT 2019, the first weekend of March. Pray that many teens would attend and that the Christ would be mightily lifted up throughout the weekend conference.
