

Central Pa Youth Ministries

Once again our annual winter camp is history, but unlike historical events that are over and done, our winter camp will continue to produce results. One of our staff posted the following on Facebook when we returned home from camp.

“Tonight the angels celebrated as a 8th grade boy accepted the gift of salvation from Jesus! His prayer started mild and in whisper....by the end it was loud and bold! Absolutely amazing!!!”

A new life has begun! This young man now has a lifetime ahead of him to walk with the Master, to learn His Ways to follow Him and then see Him face to face.

This is why we ask for your prayers. This is why our staff and volunteers work so hard to get teens out to camp. This is why we do what we do. Salvation is not available in any other name but in the Name of Jesus. Thank you for sharing with us in this great opportunity to see teens turn their lives to Christ.

Pictured on this page you will see several scenes from this year’s camp. Pray that the seeds planted will grow and take root in Him.

And keep our next major outreach in your prayers, Impact 2020, the first weekend of March.
