

## CENTRAL PA YOUTH MINISTRIES NOVEMBER 2019

Welcome to the world of youth ministry in Central Pa. Many ask us “what do your staff do?” Pictured on this page are just some of the many things we do with teens. Notice that we are relationship driven. Today’s teens, maybe more than ever before are lonely. They might have a 1000 friends on Facebook, but in reality they are all alone in their bedrooms trying desperately to feel loved and wanted.

Just one of our 4 before school breakfast clubs. Some meet in coffee shops, others in church basements, this one meets at McDonalds. Kids love to eat.

To the right is something else we do. We show up at their activities. We do everything we can to let them know that we care about their lives. In addition our staff can be found coaching a sport team, visiting a lunch room, or hanging out after school at a practice.

CPAYM is committed to taking the Gospel to this lost and unchurched generation. Please pray for 10 missionaries as they give of themselves to make an eternity of a difference in the lives of this generation.
